

City Plans 1¼ Mill Reduction

The City of Grayling will slice 1.25 mills off their millage levy if their proposed 1982-83 budget is passed.

If the budget is approved, the millage will drop from 14¼ to 13¼ mills - the sixth time in 10 years the city has lowered their levy. Since 1972, Grayling has reduced millage rates from 23.34 to 14¼ last year.

"Our real growth, as opposed to increases by inflation, has allowed us to do this," City Manager Jerry Morford said.

Despite dropping the levy over the last ten years, the city has added services such as garbage collection, which costs about two mills a year.

Grayling Man Charged in Fatal Accident

Wayne Detloff, 19, has been charged with involuntary manslaughter in connection with a two-car accident that lead to the death of a 56-year-old Roscommon man Saturday, April 24.

A car driven by Detloff allegedly crossed the center line on M-76 about one-half mile east of I-75 in Roscommon County and struck a vehicle driven by Huber Franz. Gerrish Township and Roscommon Village rescue crews worked a half-hour freeing the two men from the wreckage and Franz died about two hours later at Grayling Mercy Hospital.

Detloff demanded preliminary examination to the charge at District Court in Roscommon last week.

Man Escapes Trailer Fire in Frederic

Kelly Thomas, 46, received a rude awakening Monday morning but it wasn't the alarm clock signalling another week of work. Flames in his travel trailer parked along May Lake Road awoke Thomas and he had to break through a window to escape through the cab of his vehicle. The Frederic Fire Dept. responded to a call at 4:14 a.m. Thomas suffered smoke inhalation but refused any medical treatment. A faulty oil heater may have started the blaze.

Mercy Hospital Converts North Wing to Long Term Care

Mercy Hospital is currently accepting Skilled Care and Basic Care patients to the Hospital's Long Term Care Facility.

From 1970 to 1974 the building was identified as the Extended Care Facility with a complement of 40 beds. In 1974, 22 of the 40 beds were converted to Acute Care Beds and the remaining 18 beds were designated as Skilled Care. Also, the building name was changed to the North Wing.

Upon recent completion of Mercy Hospital's building program, we were able to reconvert the 22 Acute Care Beds back to their original setting.

The unit is now called the Long Term Care Facility and the 40 beds are licensed by the Michigan Department of Public Health for the admissions of Skilled and Basic Care patients.

Anyone desiring further information about the facility, or admission of patients, please contact Mary Hoxie, Director of Social Services at (517) 348-5461, ext. 128, Monday through Friday, during the hours of 8:00 am to 4:30 pm.

2 Grayling Men Seek COOR Seats

Two Grayling men are among four candidates seeking two COOR Board of Education seats in the June annual school election.

Incumbent James Kolka and Howard Lehti, both of Grayling, along with incumbent Junior Clemens, West Branch, and Michael Baumgartner, of Houghton Lake, are on the ballot for two six-year positions on the board.

Barbara Falconer, Roscommon, and Robert DenBoer, of Houghton Lake, are seeking a four-year position on the COOR board.

Grayling Lodge #356 F&AM will hold their regular meeting on Thursday, May 6th, Lodge opens at 7:30 p.m.

There will be a Fresh Smelt Dinner starting at 5:30 p.m. at no charge to all Masons, their wives, and all Eastern Stars & their husbands. Any and all donations will be appreciated.

This dinner is not open to the public. Any Mason that has the time to help with this dinner, please contact Russ Hubbard at 348-8623 or 348-5691.

Commencement at KCC May 7th

Kirtland Community College, Roscommon, will be holding its thirteenth annual Commencement Ceremonies on Friday, May 7th, 1982, at 7:30 p.m.

Speaker for the evening will be Miss Molly Brennan, a Michigan State University senior recently awarded a Rhodes scholarship to attend Oxford University in England.

80 students will be participating in the ceremonies, with a total of 202 student candidates eligible for degrees or certificates. Four graduates this year have carried 4.0 grade point averages (straight A), and two, 3.93 grade point averages.

The Houghton Lake High School Band, under the direction of John Milburn, will provide music for the evening. The Invocation and Benediction will be offered by the Reverend Dale Bond, of the Mount Hope Lutheran Church, Grayling.

Delightful Entertainment!

Thursday Opening Night For Grayling Players

On Thursday evening, May 6, 1982, the Grayling High School Players will open the doors to the Joseph Stripe Auditorium for their annual Broadway Musical Production. And this year's show promises to be one of the most delightful evenings of entertainment ever presented, for this year the players have chosen the fascinating "Two By Two", the story of Noah and the Ark. Doors at the Grayling High School will open at 7:30 and the performances will begin at 8:15. Additional performances will be presented on Friday and Saturday evenings. All seats are reserved for all three performances and tickets will be available at the door.

"Two By Two" is a musical dramatization of Noah's famous forty days and forty nights relating the humorous and touching problems encountered and solved by that amazing patriarch during the Flood. His wife is loyal but dubious, his sons waver between amusement and rebellion, and then there's the complication of the extroverted brunette who joins the party at the last moment. It's not all smooth sailing, but it's all good tenebrous fun. When the land dries at the end of the epic journey, Noah, now widowed, strikes a new covenant with God as man and animal alike go forth to prosper and inhabit a bright new world.

"Two By Two" was first presented in New York's Imperial Theatre in 1970 with the part of Noah being played by Danny Kaye. "Two By Two" is an excellent product of the American Broadway Stage, however it should be noted that the play may not be appropriate for elementary school children.

\$16,000 WEYERHAEUSER GRANTS—Bill Bader, from Weyerhaeuser presented Grayling High Principal Kent Reynolds with two grants totaling \$16,000 from the Weyerhaeuser Company Foundation to be used to purchase 12 microcomputers and videotape equipment.

\$16,000 Weyerhaeuser Grants Buy Microcomputers, Video Equipment for High School

By Jon Thompson

Two grants from the Weyerhaeuser Company Foundation totaling \$16,000 will purchase 12 microcomputers and a videotape recording system for the Grayling High School.

Principal Kent Reynolds said the 12 microcomputers will give Crawford AuSable one of the best computer laboratories among school districts in northern Michigan.

The Weyerhaeuser Foundation gave the grants - \$11,500 for the computers and \$4,500 for the videotape equipment - to enhance learning opportunities in the school district. Foundation representative Carol Hall, from a regional office in Wisconsin, said Weyerhaeuser funds programs that are beneficial to the community and children of Weyerhaeuser employees. Bill Bader, from Weyerhaeuser, said his company will benefit indirectly because students learning from the computer center may become future employees. He said the whole Grayling plant is controlled by computers. He added that the videotape equipment would help develop communication skills of students - another important

skill for Weyerhaeuser employees.

The equipment will be bought and be ready for use for next school year. The computers will be set up in an existing math room.

Reynolds said instructors from the current staff will teach the new computer courses. He said no additional teachers will be hired to teach the courses because the computer classes will take the place of some other classes.

The only extra cost to the school for setting up the computer center will be purchases of "software" or programs to use in the computers instead of purchasing textbooks for the classes.

Reynolds said the computers will be used in three ways: 1) classes designed to introduce computers 2) vocational training - using computers in business 3) extra teaching tool for other classes.

In two to three years, Reynolds expects the high school to have a full program underway. Programs for middle school, elementary, and adult education students are a possibility, he said.

Superintendent William Diedrich said the grants

were the largest amount of money given to Crawford AuSable Schools by a business since he took over the superintendent position.

"Weyerhaeuser said they were going to contribute to the community when they came here and they have continued to back up their words with action," Diedrich said.

He said it was nice to see a large company so concerned with the community.

Four persons started the ball rolling toward the computer grant.

Last summer Ken Wright donated a small computer to the high school. Student interest in the computer ran wild. Students showed up for school an hour early to use the computer. They stayed after school hours until the doors were locked.

Math teacher Mike Smith, who came to school early to let the kids into his room to use the computer, became interested also. He began talking to Reynolds about computers and then Bader, from Weyerhaeuser, came to talk to Reynolds about Weyerhaeuser grants for special programs to help the community. The pieces soon fell in place for a computer system grant.

The Crawford AuSable Board of Education voted unanimously Monday to cut one mill off their renewal request on this June's ballot.

The school district will ask for a three-year renewal of 16.9 mills - a one-mill reduction from the 17.9 renewal passed last June.

School officials said another drop in the millage is expected in June when approximately .78 mills is knocked off a three-mill debt retirement levy.

Even with the lower millage, Superintendent William Diedrich said many education cuts made last year can be restored thanks to a bigger tax base from Weyerhaeuser and other new construction in the district. Weyerhaeuser alone is expected to contribute \$288,000 in taxes to the schools next year. The schools can also ask for less millage in 82-83 because they won't have a \$17,000 debt to start with or large unemployment payments as they did in 81-82.

Before passing the millage proposal, the board approved a preliminary budget restoring many education programs to 80-81 levels before last year's cuts. The proposed budget calls for opening Frederic Elementary, bringing back 20 employees laid off last year, reducing class sizes, and opening all four libraries.

In addition to hiring back 15 teachers, three library

aides, one maintenance person, and one secretary, hourly personnel will have their hours restored to 80-81 levels.

The new budget proposes funding half of all the athletic and extra-curriculum programs in 1982-83. The other half is expected to be funded by gate

receipts, participation fees, fund raisers, and advertising.

Board members said they felt this budget follows their most important guidelines they set for this upcoming year - hold the line or reduce millage for taxpayers and return to an acceptable level of education offerings for the children.

Tanks Corralled by Private Landowner

Two 105 mm military tanks were headed off at the pass Friday by Bruce Armstrong, of Lovells Township, after the tanks made a wrong turn and drove down his private drive.

Armstrong heard the tanks around 10 p.m. and stopped the tanks in their tracks by driving his vehicle directly in front of the tanks. He called on his neighbors and they surrounded the tanks with their vehicles on his private trail road near K.P. Lake.

Armstrong had military vehicles on his property last year and six trees were knocked over. The state graciously offered to pay Armstrong 39 cents apiece for the large white pines.

Armstrong kept the tanks corralled until Crawford County Sheriff deputies and military officers arrived on the scene. It took authorities an hour and half to reach a temporary agreement and decide to continue an investigation at a more suitable time.

The tanks were then escorted off the property and down County Road 612 to the military range by sheriff patrol cars.

Mrs. Armstrong heard the tanks Friday night and she said the tank drivers didn't see or ignore a sign near the road declaring no military vehicles allowed.

She said something like this happens every year with the military. One year she said a large sign for their resort cabins was knocked down on their property along Co. Road 612 by tanks.

"Sometimes when you hear them at night driving around you wonder if they're going to run into your house," she said.

She said part of the problem may be on maps showing private and military property near K.P. Lake. The maps may have to be updated or drivers may have to be better trained in reading them, she said.

Spring Clean-Up Week May 16-22

Grayling's Spring Clean-Up Fix-Up Week has been scheduled for May 16-22 to coincide with Michigan Week. Saturday morning, May 22, has been designated as the community clean-up day. The Beautification Committee, under the leadership of Judy Craft, are asking everyone, young or old, and any organizations who wish to help, to come out at 7 a.m. that morning to help in the clean-up. Let's have a good turnout!

Fire Season Underway

Two range fires of about 50 acres each were controlled Sunday by the Camp Grayling Fire Dept. assisted by local DNR forest fighters.

Both fires, at range 30 and range 40, were inside the fire-lines, reported Duane Brooks, of the DNR Forest Fire Div. Fire fighters burned around the perimeter of the fire at range 40 to help contain it.

Brooks said his DNR fire fighting unit has been called to 30 fires since the first one was reported April 23. Ten of the 30 fires were out or DNR assistance wasn't needed.

Eight fire runs were made by the Grayling DNR fire unit over the weekend. Besides the two at the ranges, fire runs were made to Frederic, Lovells, Goose Creek, Ogemaw County (assistance was needed on a large fire), and southern Crawford County.

The two range fires were the largest fires in the county this year.

Commencement Speaker at Kirtland CC

Miss Molly Brennan, a 22 year old Michigan State Senior, will be the commencement speaker at Kirtland Community College's thirteenth annual Commencement Ceremonies held in the college's auditorium on May 7, 1982 at 7:30 p.m.

Ms. Brennan holds a 3.83 grade point average and has double majors at Michigan State in computer science and the humanities. She holds minors in economics, philosophy, and the romance languages. Ms. Brennan has been awarded a two year Rhodes scholarship to study at Oxford University in England. She is the only Michigan student to receive

\$13,000 IN STOLEN GOODS RECOVERED—Crawford County Sheriff deputy Jeff Anthony displays \$8,500 in stereo equipment along with \$8,500 in rifles and other goods stolen from the Dan Tate residence on Eagle Point April 9. Anthony, assisted by Detective Chuck Haas, recovered the goods and found evidence leading to the arrest of three suspects.

13-Mile Highway Chase Catches Criminal

The Crawford County Sheriff Dept., Grayling City Police, and Kalkaska Co. Sheriff Dept. combined Saturday to catch a 27-year-old Westland man after a 13-mile highway chase. The man, wanted for criminal charges in Ypsilanti and Livonia, was charged with assault and battery following an incident at the Grayling Red Barn.

Crawford Co. Sheriff deputies responded to the battery and assault complaint and unlawfully driving away an automobile and caught up to the suspect on M-72 West. He refused to stop his vehicle, and rather than try to force him off the road, deputies followed, pushing him into a roadblock set by Kalkaska Co. deputies.

The man was also charged with unlawfully driving away an automobile, D.U.I., Fleeing, Attempting to Disguise Identity, and Driving with a Suspended License.

A 34-year-old Kentucky man also was arrested for unlawfully driving away a car from the Red Barn Sunday morning. The theft was reported at 12:03 a.m. and the Grayling City Police and military police assisted sheriff deputies in locating the vehicle by 1:18 a.m.

Thirteen breaking and enterings were reported last week in the county, many from Beaver Creek and South Branch Township.

Warning

Weapons firing will be conducted at Camp Grayling during the period 4-9 May 82.

Firing will be going on in the following range areas:

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed during the period 4-9 May 82 and all persons are warned to stay out of the areas identified.

American Legion Auxiliary Members

There is talk of abandoning our auxiliary. Why? Because our members won't attend meetings. Why? Because our members aren't interested in what we are doing. Why? Because our members won't help on our projects. Is this what you want? No Auxiliary to represent our post, No Auxiliary to represent Grayling?

Please attend the next meeting May 12, 1982 at 7:30 and share your thoughts and ideas.

Need Items For Auction

A concentrated effort to gather items for a July 3 auction is being launched this week by the congregation of St. Francis Episcopal church. Spearheading the effort is Alton T. Davis, local attorney, who is chairman of the church's Stewardship Committee.

Davis said that the group is seeking items of value which may be new or used furniture, antiques, workable appliances and anything which would be attractive to the auction goers. "We are not running a rummage sale, and will not be able to accept items of clothing," Davis pointed out, adding "we are looking for quality merchandise as much as possible."

He said that anyone donating items will be given receipts showing their contribution for income tax purposes.

Pick-ups will be made and donors may call Judy Woodland 348-5574, or Phyllis Steward 348-7383

Jansen Completes 3-day Institute

David Jansen of Sorenson Agency & Associates, Inc., Grayling, recently completed an intensive three-day Personal Lines Institute in Lansing, Michigan. The program was conducted by the Professional Insurance Agents of Michigan in conjunction with the Society of Certified Insurance Counselors, Austin, Texas.

The agenda included more than 20 hours of lectures by nationally known speakers in the insurance field, group discussions, and a rigorous essay examination concluding the seminar. This Personal Lines Institute is one of five institutes conducted during the year dealing with various lines of insurance. Individuals satisfactorily completing the series of five will receive their Certified Insurance Counselors designation. The CIC designation signifies the attainment of a high level of professional insurance education and a commitment to a course of continuing education.

From Our Corner ...

We're back at our old stalemate once again...sitting here staring at old Smithy and trying to conjure something up to fill this turkey for this week...

We don't remember how many weeks we have started out with a weather report...now this week there is no complaining...the weather has been ideal...the only problem we have right now is the fact we haven't had any rain to speak of, and the woods are tinder dry...there is a "no burning" warning out, and that will continue until we have enough rain to bring the burning index down...extreme caution is asked of everyone...a spark can start a fire that may consume thousands of acres...so do be careful...

Gosh, right now I wish we were playing golf in the Wednesday league...then we could be accused of bringing rain on that day and also maybe a few other days...then our fire index would not be so high, but then we would lose all those friends that curse the winter because they can't get out to the course, that is in Grayling...there are a few that head out to the south or west just to keep their swing in order...it is tough up here for Tom St., Hook, Dr. Juntilla, Hookielau and few others...and living with them the year around, we don't need any animosity from them...the battle for survival is enough...

Things have been so quiet around our little hamlet that even Irv, the retired railroad man hasn't been around to pass on some of his words of wisdom, of course, some of his quotes are unprintable...the Leprechaun hasn't been in any mischief that we know about anyway...and since R.J. has been supplementing his teaching income by selling real estate has been incognito, that we only see him about once a month when it used to be about once a week...

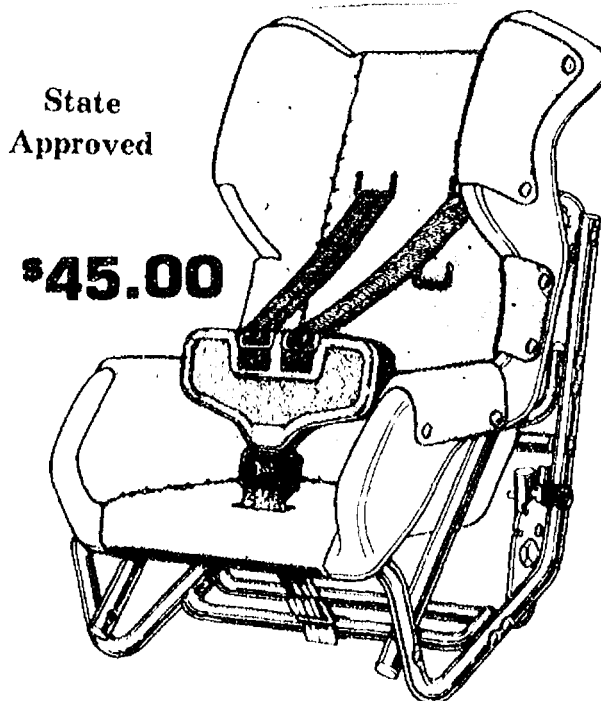

We did talk to the Leprechaun the other day and he told us he was working on getting the USS Zebra out of dry dock and fitting her for the summer season...right now he said that nothing had been decided on for the Zebra to take part in this year's Mercy Hospital Auction in June...seeing as how all the sharks in Lake Margrethe had a bad winter that destroyed all that were left there...the Lep said there maybe some other expedition the Zebra could make...

From the Las Vegas Sun...You know you're in trouble when...you let the kids pick out their own wallpaper...

Ads have forced our ending this weeks column...will say goodnight to T.J., Stef and Amber...and to all of our readers, have a nice Mothers' Day weekend...we plan on spending ours in T.C....

Dangers of Sinless Perfection

Last week we saw two things which make sinless perfection impossible for a human being in this life. First, the very nature of sin, and second, the high standard of Jesus Christ. Jesus Christ alone has remained sinless upon this earth. All other humans are sinners lost or sinners saved by grace.

To avoid all misunderstanding, we are not criticizing or condemning people. I have had many family members and close friends whom I love dearly, who have been deceived by this teaching. Many of these people are wonderful people who have never been taught Bible truth on sanctification. The following are a few of many dangers of teaching sinless perfection.

1. It creates an artificial division among the Christians between the "carnal" Christian and the "spiritual" Christian. To these people you are only half there when you get saved. You must go forward to the altar again to have a second work of grace before you can become sinless or perfect as a Christian.

2. It deceives people into becoming self-righteous. Those who claim such high standards do not expect or look for areas of sin in their daily lives. Those who claim such high standards are quicker to judge those who don't have such claims. They encourage others to go forward to the altar and pray for the second word of Grace.

3. It creates frustration

and guilt in honest Christians who realize that their second work of grace is not working. They still realize they have sin problems in their lives and they feel guilty because they are not supposed to have any. These people are often viewed as the most "holy" because they keep going back to the altar again and again expecting to gain more victory over sin.

4. It creates deception in our relationship to God's Word. "If we say that we have no sin, we deceive ourselves, and the truth is not in us." I John 1:8. Notice the great apostle Paul included self in this statement by the pronouns "we", "we", "we", "ourselves" and "us". Five times Paul reminds us he is talking to Christians. One cannot know the truth of God's Word and claim to be sinless.

5. The claim of sinless perfection hinders witness to the lose who live and work with them. Being unsaved does not keep one from recognizing sin in others.

6. The claim of sinless perfection keeps one from confession and cleansing from God. "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." I John 1:9.

7. One who claims sinless perfection is calling God a liar. "If we say that we have not sinned, we make him a liar, and his word is not in us." Claiming sinless perfection as a Bible doctrine is accusing God of saying something His Word does not teach. (adv.) Pastor Barnett

HENDRICKSON FEVER
There's probably nothing more frustrating than having trout feeding all over the river and not being able to catch any of them because you don't have the right fly. Our fly tying staff can prevent this from happening to you. With seven different styles of The Hendrickson dry fly and nymph, trout simply can't get away.
This week guest fly tying expert adds an eighth style, Rob Woodland of Grayling. Rob specializes in the Stone and with all the free time he spends fishing, we think he has some special insights both in tying and fishing you might find very useful.
Stop in — we have a great selection of flies - all priced to catch trout right away.

Catholic Service Appeal Starts

The 1982 Eleventh Annual Catholic Services Appeal for the Diocese of Gaylord was announced by Bishop Robert John Rose. By way of a taped message played on April 25 in numerous churches in the 21 county northern lower Michigan Diocese, thousands heard the Bishop say: "We have every right to be proud of our Catholic Services Appeal. It has served as a model campaign for dioceses here in Michigan and in other parts of the United States. It is a proven program of unquestioned integrity. We do raise the funds we need. But the Catholic Services Appeal is more than a fund raiser. It continues to be a work of evangelization and Christian stewardship in which we ask all to contribute generously of their time, talents and their treasure for the common good, the welfare of all..."

The Catholic Services Appeal will fund the religious, educational and charitable projects and services of the Diocese for the fiscal year July, 1982 through June, 1983. Included in this year's projected budget of \$1,056,980, will be extensive outreach programs in many communities. Some of the specific programs include marriage and family counseling, pregnancy counseling, substance abuse counseling, services to senior citizens, youth and young adults.

A portion of the funding will go for state and national collections such as the Michigan Catholic Conference, Catholic University, Bishop's Overseas Relief, Racial Minorities & Native Americans and the Campaign for Human Development.

ORDER

Petitioners motion for an order allowing service of process by publication upon Defendants, Donnie L. Leverett and Carol S. Leverett having been heard, and an affidavit filed in support of said motion having been considered, the court finds that service of process by publication provided for under DCR 106 is necessary as the whereabouts of the Defendant(s) and their residence (is) unknown; that the defendant(s) probably reside outside of the state; and that a summons and complaint has been returned showing that service of process cannot be made in the county where the Defendant(s) previously resided.

NOW, THEREFORE, the Defendant(s) Donnie L., Carol S. Leverett, are hereby notified that a civil action has been commenced against their for forfeiture of a certain land contract dated January 29, 1981 between the parties hereto for the following described property, to wit:

Shaw Park Subdivision, Lots 27 and 28 and house, Section 3, Town 26 North, Range 2 West, Township of Grayling, Crawford County, Michigan.

AND THAT, if you desire to defend same, you are required to answer or take such other action as may be permitted by law with regard to the complaint filed against you, in the District Court for the County of Crawford on or before May 25, 1982 at 1:30 p.m. o'clock in the afternoon. If you fail to do so, judgment by default will be taken against you for the relief demanded in the complaint. Dated: April 22, 1982.

PSC Supports Federal Bill on A.T.&T. Divestiture

Warren M. Hoyt, Executive Director, MPA

The three-member Michigan Public Service Commission says American Telephone and Telegraph Company is misleading its stockholders in an effort to stop federal legislation that would supersede a divestiture order agreed to by AT&T and the Department of Justice that could double basic phone rates and leave Michigan Bell Telephone in a weakened position.

The commissioners said passage of HR 5158 by Congress would allow for divestiture of the giant telephone utility of its 22 operating companies including Michigan Bell - and allowing them to stay competitively healthy saving Michigan customers some \$2 billion over the next eight years.

Commission Chairman Eric Schneidewind called on the public to support the legislation.

The commissioners said they would file a detailed list of their objections to the divestiture agreement between AT&T and the Federal Department of Justice in federal district court in Washington.

The divestiture agreement was reached last January and is under review by the federal court before they accept or reject it.

Under the agreement, Michigan Bell and 21 other telephone companies would be cut loose from AT&T.

The PSC members said the divestiture would double basic telephone rates because revenues from Yellow Pages advertisements and long distance calls - which have subsidized rates in the past - could no longer subsidize basic rates.

In response to criticisms about the divestiture, HR 5158 was introduced in Congress and recently was approved by a House subcommittee. With some minor changes, the measure would allow for divestiture without the problems posed by the agreement.

Park Interpreter

While the summer season is still a ways off, preparations are underway for what we anticipate will be a busy time. Throughout the past fall and winter, the crew took care of projects which could not be undertaken while numerous visitors were using the Park. Right now water lines are being completed which will assure an adequate supply to the Interpretive Center and to the new shelter-toilet building.

The crew is now in the process of cleaning up from the winter and taking care of last-minute details which will help make any visitor's stay more pleasant. While work schedules and efforts are being directed toward this immediate need, we are looking down the road to the third weekend in August when we are going to be staging the first annual "Old Time Days" at the Hartwick Pines.

At the present time, we are seeking those with crafts which lean toward days gone by who are willing to demonstrate those crafts to the visiting public. If you think that perhaps you might like to spend two days in August showing and telling people about your hobby, contact us for more details. Please call the Park Manager, Joseph Martin, or me at 348-7068.

RSVP Reports

Sherry Haag, Director

Welcome to news of the Retired Senior Volunteer Program. April 12-16, 1982, I attended the Mid-America Congress on Aging held in St. Louis, Mo. Approximately 700 persons from Mi, Ind., Mo., Ill., Kan., Ia., and Minn., all involved with various aspects of the aging field attended the 5 day conference. Various workshops, round table discussions, lectures, and film presentations were held. In weeks to come I will be discussing some of the sessions and information I received during the conference.

In the opening day statement, made by Dr. Lennie Marie Tolliver, U.S. Commissioner on Aging, she said we must recognize that most older persons are self-reliant and want to remain that way. Our programs should be geared at helping the truly needy and helping others to help themselves. The main challenge, she says, comes because, "the American people are growing older and living longer than at any period of history. By the turn of the century, the number of those over 60 should account for one out of every six residents of the U.S."

Older American Volunteer Programs of which RSVP is a part, could be a portion of the solution to problems of retiring and retired seniors. Through Foster Grandparents, Senior Companions, and RSVP, seniors are given a chance to become active, participating members of the communities in which they live. In the process, using the skills and talents they have acquired over a lifetime of work and life experiences, not only enriching their lives, but also the lives of all they come in contact with.

In Crawford County, the Retired Senior Volunteer Program has a very active group of volunteers. Two of the most busy of the spring through fall activities are the Crawford County Historical Society Museum and the Hartwick Pines Book Nook. If you'd be interested in either of these assignments, let us know. Call the RSVP office, 348-4341 or 348-8322 between 8 a.m. and 5 p.m. Museum tentative opening date is Friday, May 28. All volunteers interested in Hartwick Pines assignments, a meeting will be held May 20, 1982 at the RSVP office at 3 p.m. Mr. Wendell Hoover will attend with news of this year's operation and to answer all questions. Please plan on attending.

Don't forget, monthly reports are due in the office. It helps us get our reports done on time if you are in on time.

Vikings Beat Gaylord Lose to Soo Squad

Behind their home-run hitting, the Grayling Viking baseball team pounded Gaylord last Thursday 14-3 and 8-0. On Saturday, a Sault Ste. Marie team beat Grayling 5-3 and 7-2.

In Gaylord, Ted Methner knocked two home runs and David Burr and Monte D'Amour each hit one. Brad Trenary pitched a two-hitter in the opening game and sophomore Jerry Heckerthorn picked up the win in the second game.

Burr had 5 RBI's to go along with his home run. Jack Money had two hits with two RBI's, Terry Norman had two hits, three RBI's, and three runs, and Mike Hickey had two hits and two RBI's.

In the second game, Methner contributed 4 RBI's along with his two home runs. Also hitting in the second game were Jim Steward, Jeff Branch, and Dan LaDuke for the Vikings.

Against Sault Ste. Marie, Monte D'Amour started the game like an All-Pro. With the Soo team threatening with runners on second and

third in the first inning, D'Amour grabbed a line drive at third base, tagged the baserunner at third, and threw to second for the third out of a triple play.

To cap off his defensive play, D'Amour stepped up to the plate in the bottom of the first and knocked a home run over the fence.

Sault Ste. Marie overcame his heroics with three runs in the second and held on to win 5-3.

Coach Fred Wolcott said his team played well against the bigger school.

In the second game, the Soo pitcher held the Vikings without a hit until the seventh when David Burr broke the hitless string dramatically with a home run blast. Methner doubled after him and scored accounting for all the Grayling hits.

Earlier in the week against a top-notch Charlevoix team, the Vikings fell 13-2 and 8-0.

Grayling traveled to Charlevoix Monday, heads to Petoskey Thursday, and entertains Rogers City at home Saturday at 10 a.m.

LONG OUT—Viking Monte D'Amour connected off a Charlevoix pitcher to send the ball 300 feet but unfortunately for Grayling it went to deep left-center where an outfielder pulled it in front of the fence at the Viking's home field.

Grayling Elementary School News

Mr. Brigham's 5th Grade

In science they are trying some new experiments. And in English they are still reviewing. In Art they are still making calendars. They are in improper fractions in math and in spelling they make up stories from their spelling list. And they have gym. Written by Janice Helsel and Anjanette Pratt, 5th grade.

In Mr. Hatfield's fourth grade class they have 12 more people working in division. Mary A. Allen donated 3 sets of books to their room. The books are nice, interesting, and helpful. They are learning to make pattern pieces using grids. So far they made spring flowers and caterpillars out of construction paper. By Debbie Jones and Betty Partello, 5th grade.

Feet Feet and More Feet

On Monday a foot doctor came in to talk to us about feet. Her name was Dr. DiPonio. Some kids asked questions about feet. If you don't take good care of your feet you will get warts and callouses and ingrown toenails. To take good care of your feet you have to wear different shoes every day, put on different socks every day, and most of all, clean your feet. By Kevin Francis, 5th grade.

Child Care Center at Kirtland CC

The Kirtland Community College Child Care Center will be holding pre-registration for its September session during the month of May. Parents interested in enrolling their 2½-10 year old for the fall should contact the Child Care Center sometime between May 17 and May 28th (between the hours of 8:00 a.m. and 5:00 p.m.). The child (children) must be 2½ by September. Part time and full time quality day care is available.

An "Open House" will be in progress during the last two weeks of May for those parents wishing to observe the facility, its operations and personnel.

The Kirtland Community College Child Center is located on College Drive.

Tim Miller Graduates With Honors

ALMA—Timothy Miller of Grayling was graduated with honors from Alma College on April 17. He was graduated summa cum laude, an achievement which requires a 3.80 cumulative grade point average (GPA) and a 3.60 in credits outside the division of the major.

A double major in economics and history, Miller also received honors in both his major departments. A combination of high grade point, scores on the Graduate Record Examination and a senior thesis earns a student honors in economics. Miller's thesis in economics was written on "An Examination of the Phillips Curve Literature."

For honors in history, a student must have a minimum 3.50 GPA in history courses and a 3.25 overall, must pass both written and oral comprehensive examinations in history, and must write a thesis of honors calibre.

Miller presented his history honors thesis on "Origins of the Recession of 1937" as a paper at the state Phi Alpha Theta (history honorary) conference held at Alma in March. His paper was selected for the Best Paper Award among those presented at the conference.

Tim, a 1978 graduate of Essexville Garber High School, is the son of John and Peggy Miller, of Grayling.

Cross Country Ski Meeting

Attention cross country ski enthusiasts!! You are invited to come to the Lyon Township Hall (on the west side of Higgins Lake, across from St. Hubert's Church) on Monday, May 10th at 7 p.m. The purpose of the meeting will be for the formation of a cross country ski club whose interest will be to improve the quality of cross country skiing in Roscommon and Crawford counties.

Other objectives will be discussed and may include:

- Ski trail improvement, both pre-season and during the season.
- Promotion of Junior, Senior and Citizen racing programs.
- Sponsoring of workshops, clinics, outings, group tours, etc.

This area has great potential for nordic skiing and with a little help from everybody, we can develop that potential. Anyone interested who cannot attend should call Butch Stockton at 517-821-5381. If you are able to attend, please come Monday, May 10th at 7 p.m., Lyon Township Hall.

The Grayling High School girls track team rolled over Charlevoix and Cheboygan in their first meet of the season taking 10 out of 15 first places.

The Vikings, led by Jean Stevens' four first-place finishes, piled up 82 1/2 points to Cheboygan's 54 1/2 and Charlevoix's 19.

Stevens captured first in the discus, high jump, and 440 dash, and helped her mile relay team finish first. She threw the discus 75 feet, high jumped 4'10", and had a time of 66.12 in the 440 dash.

The mile relay team of Stevens, Beth Jones, Dianne Lee, and Gina Medley had a 4:32.39 winning time.

Also taking first places were Dawn Weatherly, with

a 14'4" long jump, Dianne Lee, with a 17.21 time in the 110 low hurdles, Beth Jones, with a 5:47 mile run, Jody Christman, with a 2:45 880 run, and Dawn Weatherly, with a 29.25 220 dash.

The Viking's 880 relay team of Michelle Barber, Christman, Medley, and Weatherly took a first with a 1:57.1 time.

In two downstate relays with 30 teams participating at each competition, two Grayling individual performers earned medals and the girls relay team captured two firsts.

At the Central Michigan University Relays, a Grayling middle distance relay team of Gina Medley, Beth Jones, Dianne Lee, and Jean Stevens took first. Dianne Lee earned third place in 200 meter low hurdles and Beth Jones took fifth in the 1500 meter race.

The Vikings opened their track season at the Ferris Invitational held indoors. A mile-relay team of Medley, Jones, Lee, and Stevens took first. Lee also took a second in the 60-yard low hurdles and third in the 880-yard run.

Lovells Home Extension

The Lovells Home Extension Group met on Wed., April 14th at the home of Leona Nichols. Co-hostess, Imilda Stahl assisted the hostess in serving a lovely luncheon.

Chairman, Betty McGowan called the meeting to order. Roll call was a First Aid Suggestion. We welcome a new member, Lillian Balser to our club. She and her husband, Henry recently returned from a trip to Virginia where they visited with their grandson who has since left for a 6 month tour of duty on the nuclear carrier, Vinson. From there they went to Washington D.C. and visited their nephew, who took them on a tour of the Capitol.

The Mystery Package was won by Mildred Johnson. At the close of a brief business meeting, the group drove to Grayling and toured the Mercy Hospital. It is much more spacious since the new addition has been completed. New equipment has been added to facilitate patient recovery.

Eight of our members attended the M.A.E.H. Learn and Lead workshop at the Holiday Inn of Grayling on Wed., April 21st. The Ogemaw Extension Group put on an amusing skit entitled "We've Got To Stop Meeting This Way." It showed us how not to conduct a meeting.

Speaker, Nancy Frye M.A.E.H. Assistant Membership Chairman gave an address on "Ask Me Who I Am", which was interesting and informative. Marge Mieloch discussed "Small Home Business" and displayed articles of clothing made by a small business concern where the garments are sewed by women in their homes.

Following lunch, the afternoon was devoted to workshops. Those attending from the Lovells Group were: Evelyn Bates, Ruth Caid, Irene Honey, Mildred Johnson, Hazel Koernke, Betty Lake, Velda Marshall and Leona Tubbs.

The next meeting will be held on Wed., May 12th at the Women's Club house with Velda Marshall as hostess. There will be election of officers and following the business meeting, a Cosmetic demonstration will be held.

PLEASE notify your hostess if you are bringing a guest or, if you do not plan to be present.

Hazel Koernke,

CRIBBAGE CHAMPIONS—Gerry St. Germain, second from right, won this year's annual Camp Grayling singles cribbage tournament. Derl Beals, second from left, placed runner-up and Bill Richmond, left, took third. Joe Thompson, tournament director, hands St. Germain, a three-time winner of the tournament, the trophy engraved with each year's winner.

Par For The Course

By Fay Bovee

Wednesday Aux.—Please call Phyllis Stewart 348-7383 by May 10 if you wish to play in the league. That is the deadline for signing up. At the organizational meeting held Tuesday, April 27, 1982, concern was expressed over the absence of some former member's names. If you know of anyone wishing to sign up, please have them contact Phyllis or Joanne Olson immediately.

A board meeting preceded the regular meeting. Members present were Joanne Olson, president; Carolyn DiPonio, secretary-treas.; Nancy Hoffman and Eddie Blaha. Absent board members were Marilyn Fick and Evelyn Kent.

Nora Fraser, chairman of the golf committee and Phyllis Stewart, member of the golf committee, were present.

Play will begin on May 12 with a Fun Day starting with tee-off time at 9 a.m., and a Brown Bag lunch. Regular scheduled play begins on May 19 with a shotgun start at 9 a.m. The dues of \$15 remain the same as last year and must be paid before you play. Flight A will furnish the lunch for the first regular day with rotation being the same as last year.

Carol Thompson, on behalf of Century 21, volunteered to buy flowers for planting at the club with the auxiliary members doing the planting.

Summer Fun

Michelson Memorial United Methodist Church announces a new summer program open to the community. For six Wednesdays, from June 16th-July 21st, there will be a Christian Education program in the morning, 10:30-11:45 a.m.; for children 4 years-6th grade and an adult Bible Study on the book of Hebrews.

The children will then have a time for eating sack lunches and some table games. In the afternoon, children in grades 1st-8th can choose two 45 minute interest groups from about 14 options.

There will be a \$3.00 entry fee for the interest groups. Some of the possible interest groups are: Magic Experiments, Square & Folk Dancing, Needlecraft, Bug Collecting, Music, Exercise with Gusto, Ceramics, Painting & Drawing, Woodcrafts, Flytying and Cooking Fun.

Watch the Avalanche for an advertisement naming the options and including a registration blank. Pre-registration will be required.

Children from the community are invited to participate in either or both the morning Christian Education and the afternoon interest groups.

The Church is attempting to help fill a void created when the community schools summer recreation programs had to be dropped for lack of funds.

They hope to provide the children of the community with both Christian Education and fun and learning.

Correction

At the Detroit Lions Basketball Game, held April 6th, an announcement was incorrectly made as to the donation of the pop for the players.

The pop was actually donated by Milltown Party Store.

The Chamber of Commerce regrets the error.

Bits O'Talk

By Fay Bovee

Mrs. Rhea Glisan and daughters, Julie and Dena, of Augsburg, Germany, arrived last Wednesday to spend three weeks with her parents, Mr. and Mrs. Joseph Stripe. Gary Glisan has already returned to Germany after visiting his parents and Rhea and the girls will join him there the end of May.

Fifteen women attended a baby shower hosted by Wilda McClain and Jenelle McClain for Gayle McClain and her new daughter, Brandi. The shower was held at Jenelle's home Sunday afternoon, May 2, 1982. Mary Kay Blaauw made a Winnie the Pooh cake for the special occasion. Many lovely gifts were received and all had an enjoyable time.

Frederic Hobby Club

The Frederic Hobby Club will be having their Mother and Daughter Banquet on Monday, May 10th at 6 p.m. at the Frederic Town Hall. Please bring a dish to pass and your own table setting.

For reservations please call 348-9712 or 348-2415.

Transportation Week May 10-14, 1982

Joining communities throughout the State, residents of Grayling, Crawford County area have the opportunity to participate in the annual observance of Michigan Transportation Week, May 10-14.

During this week we will have a "Mystery Bus" operating on Wednesday, May 12, 1982. Anyone that happens to get on the "Mystery Bus" will get a Free Ride! Remember, the "Mystery Bus" could be in any part of Crawford County that day so our Riders may get a pleasant surprise upon boarding. The "Mystery Bus" will be operating all day, from 6:00 a.m. until 7:00 p.m. which is Crawford County Public Transit's way of celebrating Michigan Transportation Week and at the same time saying Thanks to County Residents for their support in our Bus System.

Governor William G. Milliken proclaimed Transportation Week in Michigan to coincide with the national recognition of the importance of transportation — all modes — in the daily lives of this country's citizens.

It is time again, Milliken said, "to review our basic transportation services and determine how best they can serve both the urban and rural needs of all our citizens. It is also appropriate for us to recognize the thousands of men and women who contribute to the development and operation of our vast transportation system."

Mortgage Sale

Default having been made on the part of the mortgagors in the terms and conditions of a certain mortgage given by James S. Crawford and Helen M. Crawford, husband and wife, to United Federal Savings and Loan Association, bearing date the 12th day of November, 1975 as recorded November 19, 1975 in Liber 149, Page 127 Crawford County Records.

Because of said default, said Association by virtue of the option given it in said mortgage, has heretofore, and does now, declare the entire principal sum secured to be paid by said mortgage to be due and payable, and there is now claimed to be due and unpaid thereon the aggregate sum of \$14,901.39 Dollars and, as of the date of the sale, the sum of not less than \$15,030.01 Dollars and no suit or proceedings having been instituted at law to recover said sum, the debt remaining secured by said mortgage, or any part thereof.

Therefore, by virtue of the power of sale in said mortgage contained, which has become operative by reason of said default and the statutes in such case made and provided, notice is hereby given that said mortgage will be foreclosed and the premises described therein sold at public auction to the highest bidder, by the Sheriff of said County, on the 10th day of June, 1982, at ten o'clock in the forenoon, at the front door of the Courthouse in the City of Grayling and County of Crawford, Michigan; said Courthouse being the place of holding the Circuit Court for said County, which premises are situate and being in the City of Grayling, County of Crawford, State of Michigan, and described as follows:

Lot Seven (7), Block Two (2), Hadley's Second Addition to the City of Grayling.

The period of redemption is six months.

Notice of Mortgage Sale

Default having been made in the terms and conditions of a certain mortgage made by James S. Crawford and Helen M. Crawford, his wife, of 407 Erie St., Grayling, Michigan 49738, Mortgagors, to the Grayling State Bank, a Michigan Corporation of Grayling, Michigan 49738, Mortgagee dated February 25, 1981, and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on the 2nd., of March 1981, in Liber 194, of Crawford County Register, on Page 306, on which Mortgage there is claimed to be due, at the date of this notice for principal and interest, the sum of Seven thousand three hundred ninety five dollars and 80/100 (\$7,395.80).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said Mortgage or any part thereof, Now therefore, by virtue of the power of sale contained in said Mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, NOTICE IS HEREBY GIVEN that on the 16th day of June, 1982 at 10:00 o'clock A.M. said Mortgage, will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said Mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said Mortgage, with the interest thereof at 17.9% per annum, and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan, County of Crawford, in the Township of Grayling, to-wit: Lot 7, of Block 2, Hadley's Second addition to the Village (now City) of Grayling, according to the plat thereof as recorded in Liber 1 of Plats, Page 10 Crawford County Records, Grayling Township, Crawford County, Michigan.

The redemption period shall be six months from the date of such sale.

Dated: April 9, 1982.

Engagement Announced

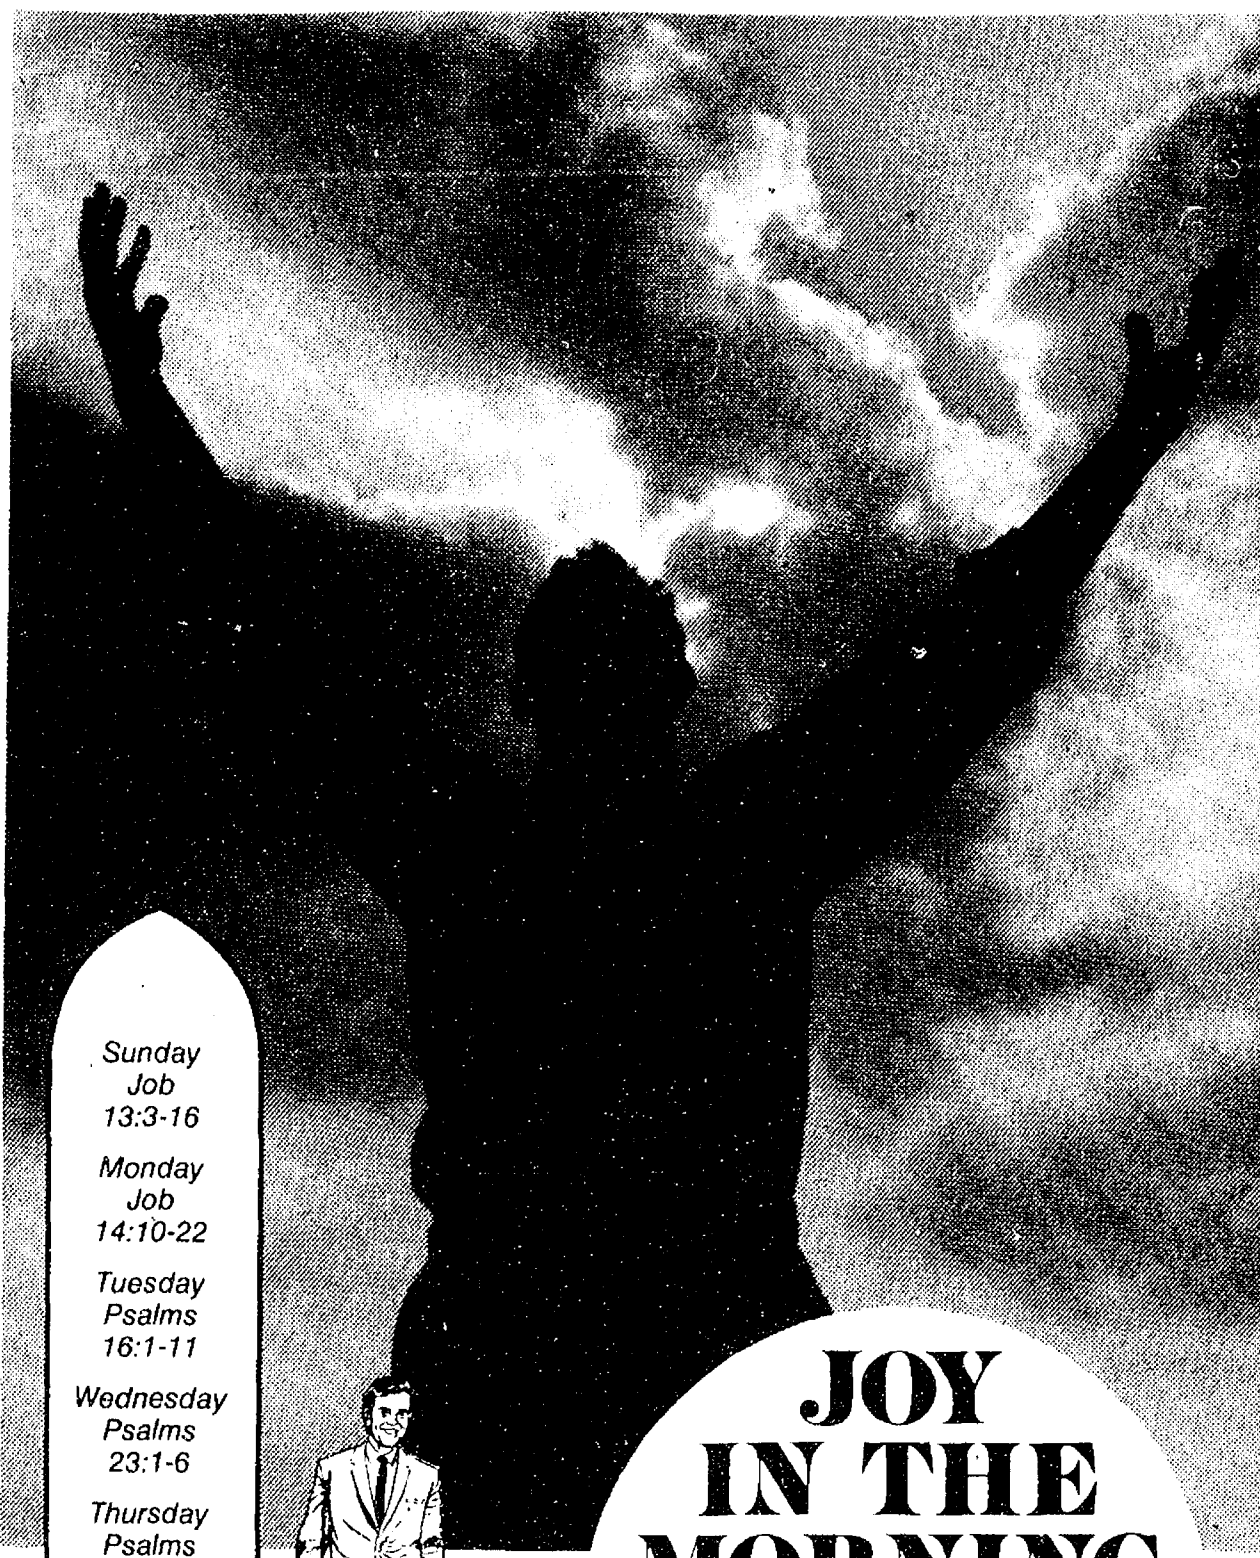

Mr. and Mrs. Kip Papendick announce the engagement of their daughter, Janet, to William H. Harrison, son of Mr. and Mrs. Hilton Harrison of St. Louis. A June 12th wedding is planned.

BIG BROWNS—Sandy Vradenburg, top photo, and Char Bishop caught two nice size brown trout early in the season when many fishermen weren't having much luck. Vradenburg caught her 22-inch brown at 6 p.m. Monday, April 26, at the falls in Grayling. Her fish was the largest among seven fish caught near Ray's Canoe Livery and Fly Factory Saturday, Sunday, and Monday of Opening week. Bishop caught her 20½-inch at 4:40 p.m. on April 25. Other successful fishermen at Ray's were Charlie Rock 19½-inch brown, Randall Stampfly 18½-inch, 17½-inch and 18-inch browns, Dave Blumberg 18-inch brown, and Duane LaMotte 21-inch brown.

JOY IN THE MORNING

There is something thrilling about a new day! Another dawn of hope and promise to live and dream and love.

Frustrations of yesterday are gone and like the earth on which we live, we stand refreshed, renewed and hopeful in the shimmering rays of the morning sun.

How wonderful that we have been given the power to make a new beginning—if we trust and have faith in our Creator.

Worship in church each week and find the faith that renews your life—that brings "joy in the morning."
